Seminar on "Vriksha Ayurveda"

Nandha Ayurveda Medical College and Hospital conducted an one day seminar on "Vriksha Ayurveda" on 04.11.2023 at our campus. The intention was to promote and bring awareness about Ayurveda not only in the perspective of healing people but also to implement in the conservation and cultivation of medicinal plants. Farmers in and around this locality and students from the Agricultural department of Nandha Engineering College were the main focus among the audience. After the inaugural function, the session commenced with the welcome address by Dr. M. Krithiga, Principal, Nandha Ayurveda Medical College and Hospital. The first seminar of the day was by one of the eminent experts in the field of Dravyaguna, Dr. Ajayan Sadanandan, President, CIMH, Palakkad on "Vriksha Ayurveda", followed by Thiru. Jawahar Perumal, Textile engineer, Coimbatore on the topic "Organic farming - A new approach". Post lunch session on "Farming with nature" by Thiru. Loganathan, Consultant, Alter media private Ltd., Bangalore, "Importance of Medicinal plant cultivation" by Dr. Pavithra, Research Assistant, CIMH, Palakkad, "The relation between Health, Ayurveda and Agriculture" by Dr. P.R.Krishna Prasad, Chief physician, Sarada Ayurveda Vaidya Sala, Coimbatore were also conducted. The vote of thanks was delivered by Dr. A. Bhuvaneshwari, HOD, Department of Samhita & Siddhanta, Nandha Ayurveda Medical College and Hospital.
