The second batch of Nandha Ayurveda Medical College and Hospital celebrated their 1st batch day on 5th March 2022(Saturday). The day began with a prayer followed by lighting the lamp. The Principal of the college Dr.M.Krithiga shared her college memories which enlightened the students.

The students performed various cultural events which was literally a treat for the eyes. As a part of batch day celebration, Daksha contributed two rare species of plants to Nandhavanam - Herbal Garden. The contributed species includes the plant Jyothishmathi (*Celasterus paniculatus*) and Plaksha (*Ficus microcarpa*).

Students along with the Principal and faculties planted the herbs in the garden. The day ended with all its warmth and goodness.
