DRAVYAGUNA FIELD VISIT

Department of Dravyaguna vijnana, Nandha Ayurveda Medical College and Hospital organized a field visit to Chennimalai Murugan temple hills and Vellore Bird Sanctuary, Erode for the 2nd year students of the college. The visit was conducted on 9th February 2022.

This visit served as a perfect platform to educate and encourage the students about various medicinal plants and its benefits. The visit was accompanied by staffs of Dept. of Dravyaguna Vijnana and they acknowledged the students about different varieties of plants which was available in that area.

Students enthusiastically climbed 1350 steps of Chennimalai Murugan temple. Dr. Shweta Kulkarni showed the students various medicinal plants maintained at Vellore Bird Sanctuary and highlighted the significance. Students were motivated to take benefits of the visit by identifying the species and to understand the morphological characteristics of medicinal plants. All the students thoroughly enjoyed and learnt from this event.
