Time: 10.00am to 4.00pm

The Third year students of Nandha Ayurveda Medical College had an opportunity to visit rayapalayam village-erode, for doing various programmes for children of rayapalayam government school on 18th of July 2022 as a part of Azadi ka Amrit Mahotsav. The programme started at 10.00am in the meeting hall of the school, initially it started with game and drawing competition after explaining dinacharya in detail for the students of rayapalayam village. The students were accompanied by Mr. Sabharidaran and Dr. Parvathy raj, Assistant professors, Nandha Ayurveda Medical College and Hospital, Erode. The games and competition on ayurvedic concept was really beneficial for the students as they could understand and learn about ayurveda from their school days, it will help to reach ayurveda to each. The programme was an enlightening session for the young doctors as well as the students of rayapalayam village to create a spark on lifestyle of Ayurveda.
