The students of Nandha Ayurveda Medical college and Hospital, Erode conducted a competition "HUNT FOR THE SECRETS" which means to know the real reason and scientific knowledge behind the tradition that is being followed generation after generation. This motivated the kids to explore more about their tradition and the scientific reasons behind it. More than 25 students participated in the competition and shared their thoughts and knowledge. The students came to know about new information and gathered the reason behind the myths that had been followed. The best three competitors were awarded with prizes. The competition was a grand success.
