TIME: 10.00 AM

The students of Nandha Central school, Erode visited Nandha Ayurveda Medical College and Hospital, Erode on 20<sup>th</sup> July 2022 as a part of their curriculum. It inquisitive students of the primary school grabbed the attention of the whole faculties of the institution with their thoughtful questions. The students were taken to various departments and the herbal garden of our college where they were exposed to the new world of knowledge. The programme was a great success.
